

## Coho Crack Fly by Friday Night Flies

Click on the link to view the video: [https://youtu.be/FtN\\_Tjcn\\_u8](https://youtu.be/FtN_Tjcn_u8)

### **Materials** (*substitute as necessary*)

- Hook:** Mustad SL53UBL salmon single size 1
- Thread:** 6/0 chartreuse thread
- Tail:** Blue marabou
- Body:** Pearl mylar
- Under Collar:** Small chartreuse crystal chenille
- Collar:** Rooster saddle hackle
- Under wing:** Crystal flash chartreuse
- Wing:** Chartreuse bucktail
- Eyes:** Living eyes or dome eyes
- Adhesive:** UV Resin

### **Comments**

*This is a dynamite fly that when fished in the bottom 12" of the watershed is very effective. I would swing this fly with a t-14 sink tip getting it right down near the bottom, then strip it in short and fast in the tail of the swing.*
